# THE STORIES OF CANADA™

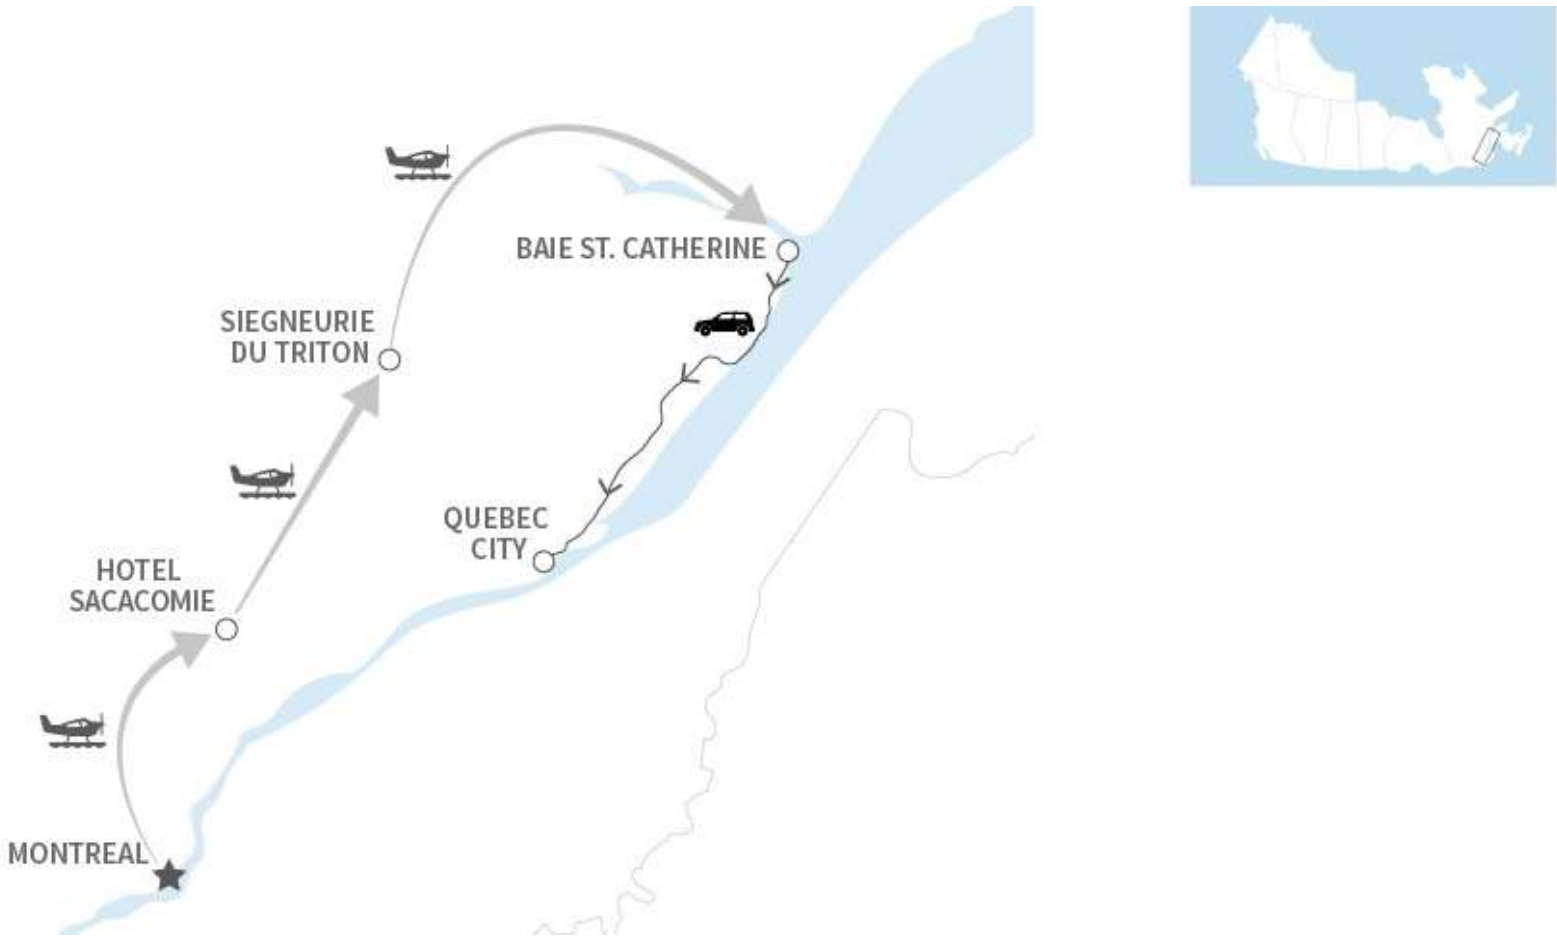

The Stories of Canada™ was born out of our need for connection. To connect our guests to Canadians, to new experiences, and to lands they may have never had the chance to learn about, let alone discover.

Our inspiration behind these itineraries is to develop and uncover a collection of unique community-based experiences, and to promote a reciprocal cultural exchange between visitors and locals.

The goal of these journeys is not only to inspire travelers, but to positively impact local Canadian communities and their economies on a deeper level.
